

BILANCIA

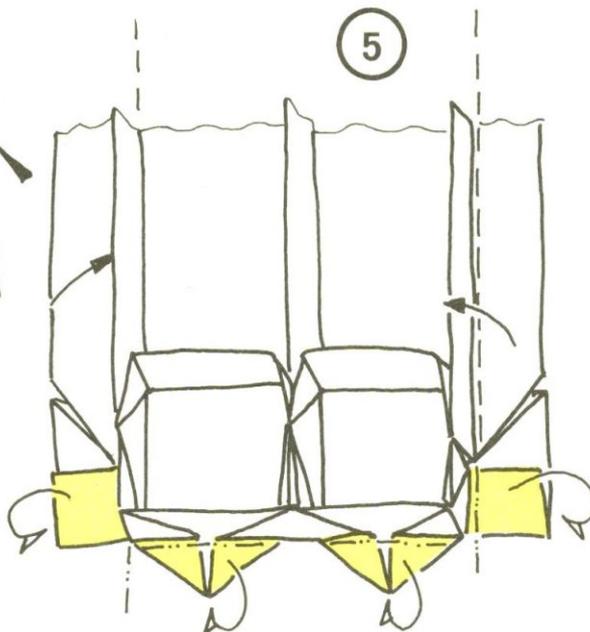

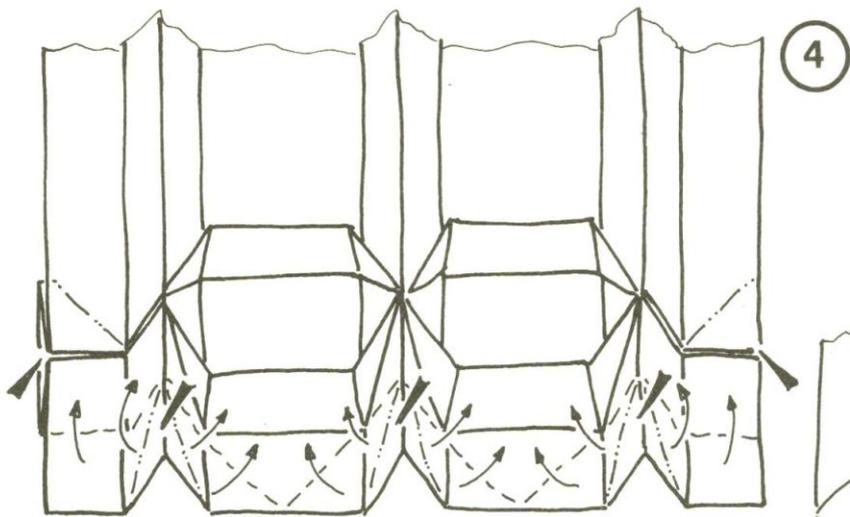

rapporto tra dimensioni
del foglio rettangolare 2x1:
lato lungo 24, altezza modello 7,6.

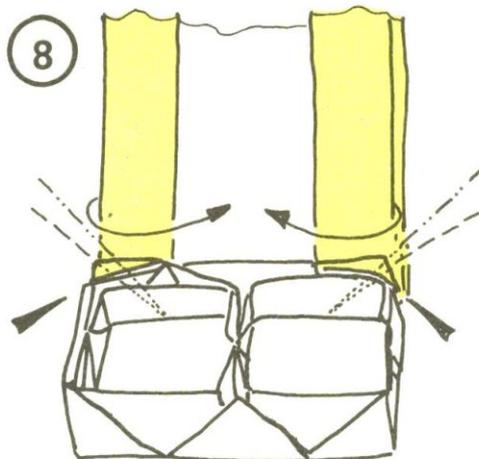

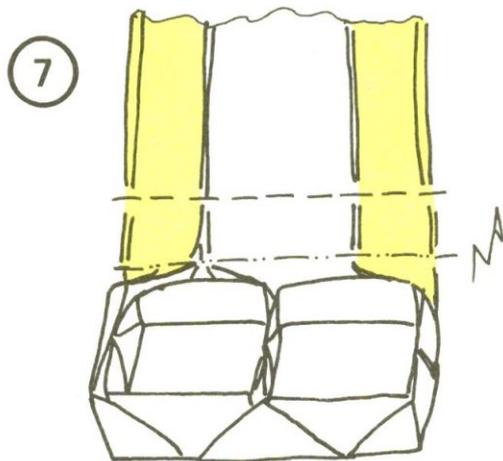

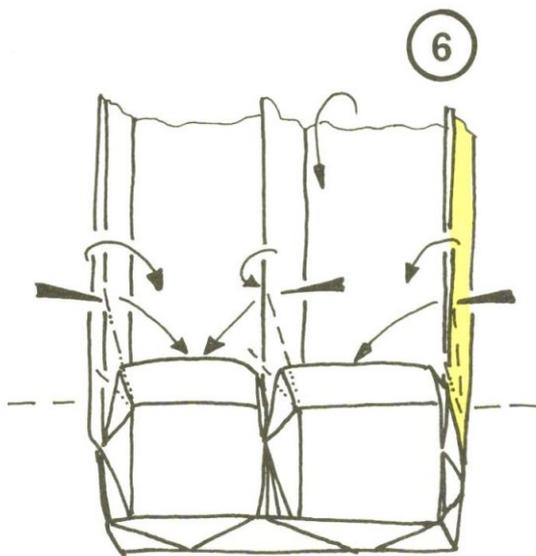

ora esegui le pieghe verticali

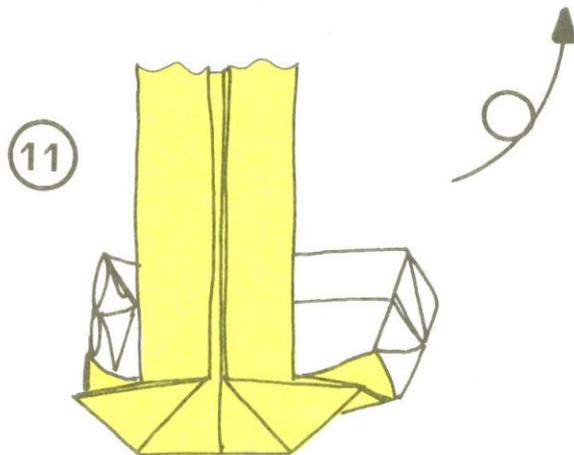

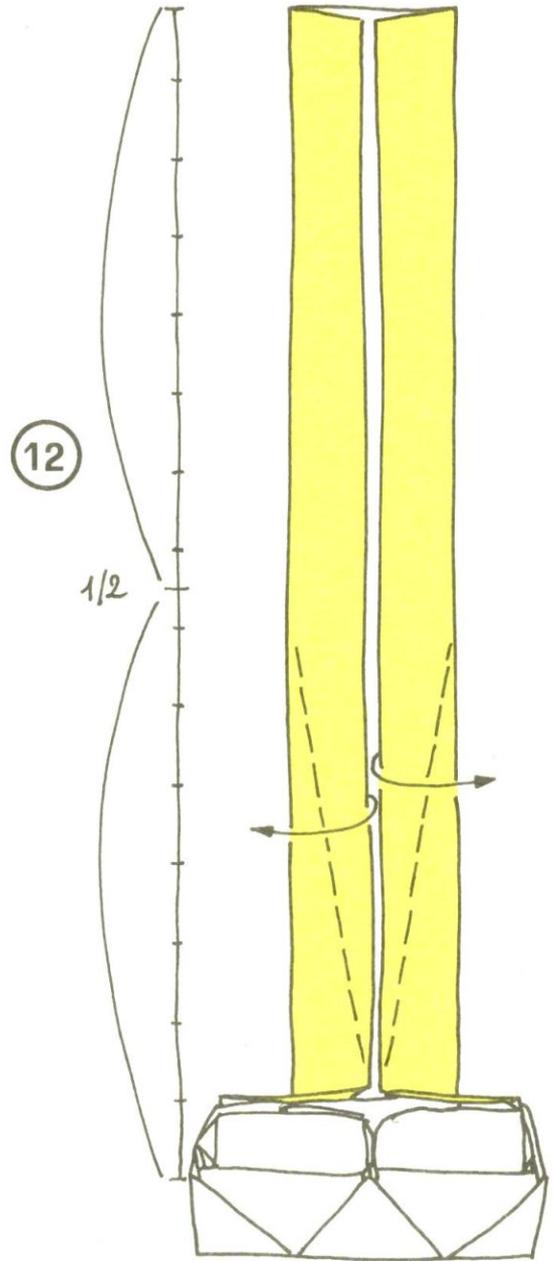

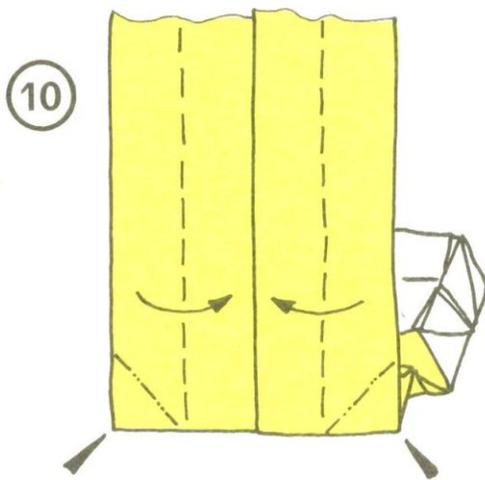

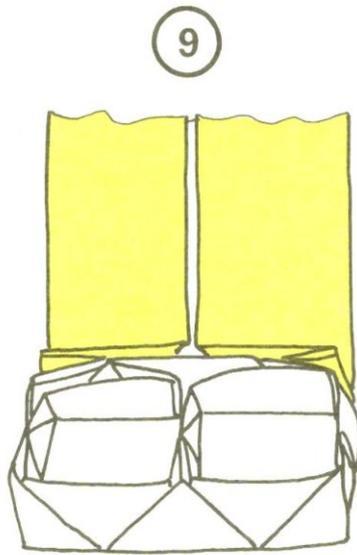

apri ed esegui le pieghe indicate dalle linee a monte e a valle.

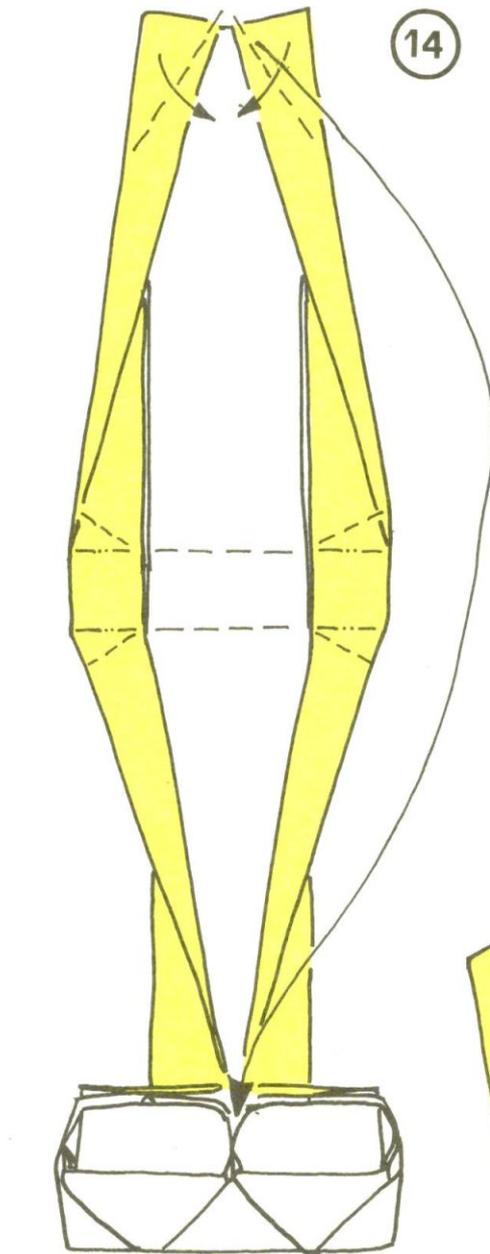

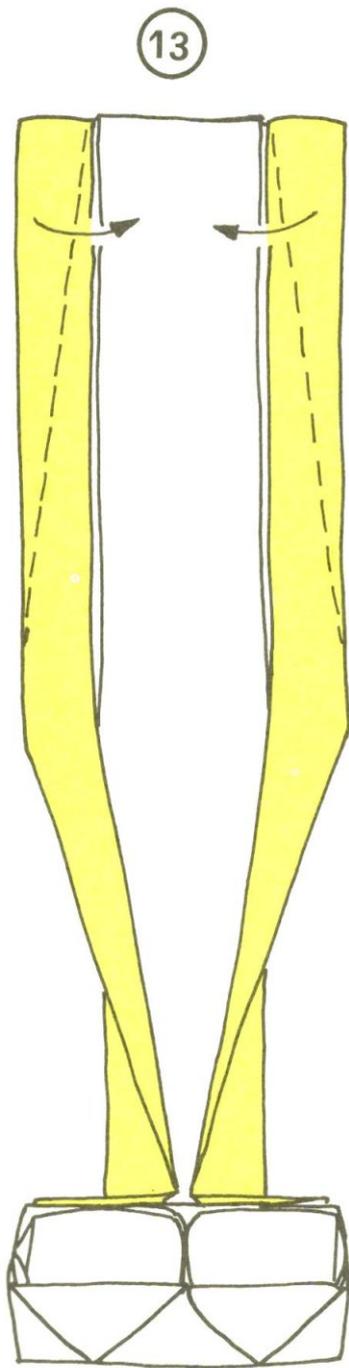

nei diagrammi successivi è spiegato il procedimento per ottenere i due piatti della bilancia. Si tratta di un passaggio un po' difficile. Esegui le pieghe con precisione.

intasca tutte le alette

dai forma al modello
