

Stella tradizionale

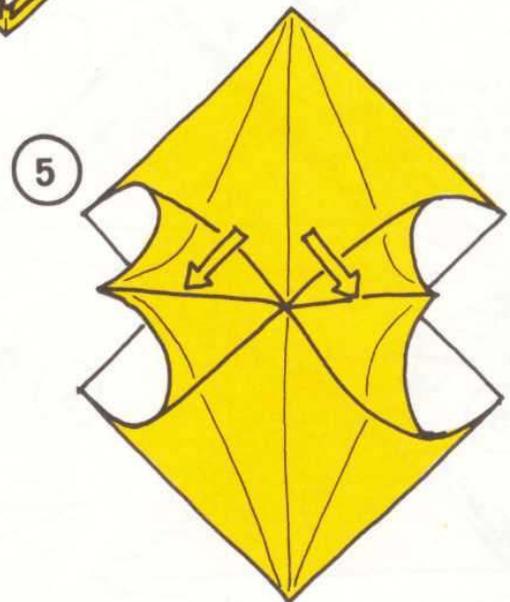

Origine giapponese

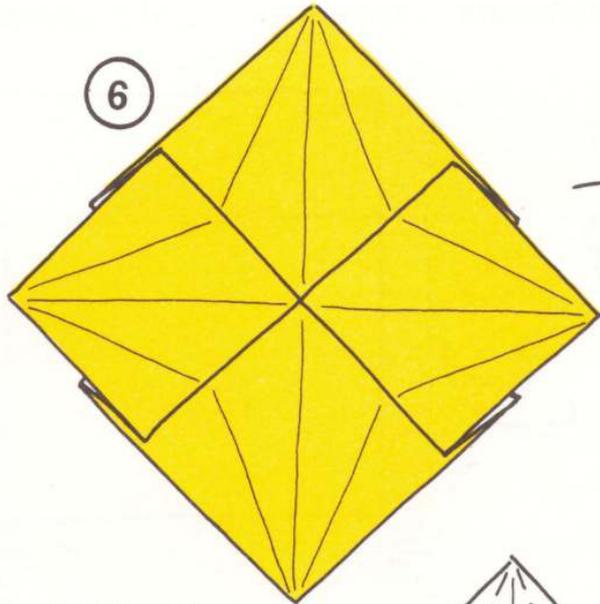

BASE QUADRATA  
CON IL BIANCO  
ALL'ESTERNO

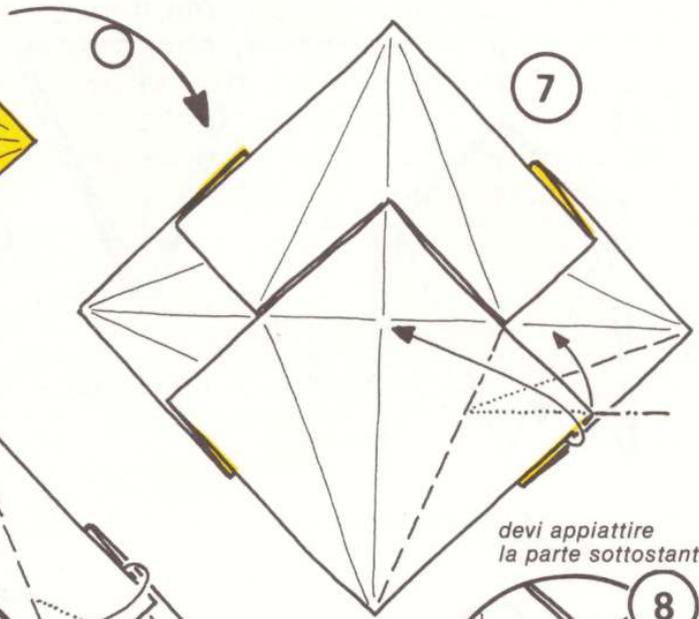

apri, portando la facciata anteriore  
verso l'alto; tieni ben ferma quella  
inferiore sul piano del tavolo...

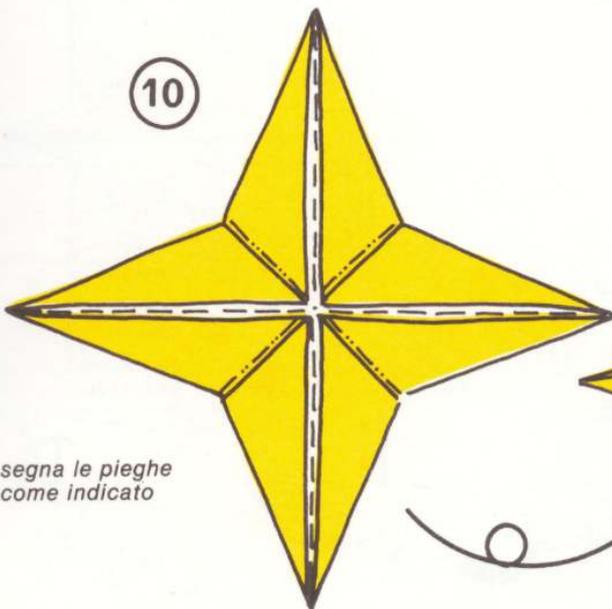

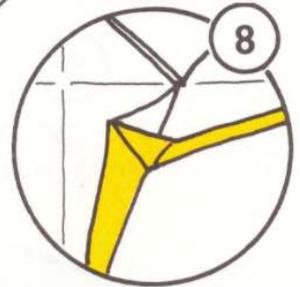

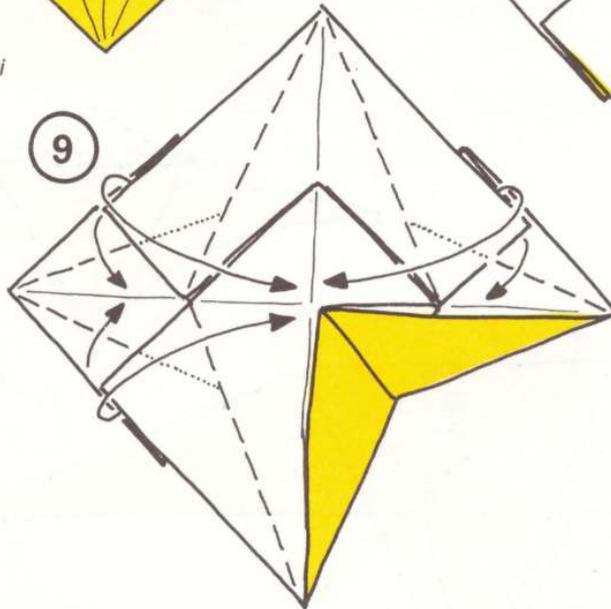

...si liberano così le due ali laterali, che devi preme-  
re bene sul piano del tavolo fino ad ottenere la for-  
ma quadrata rappresentata nella figura 6

*piega gli altri tre lati*

*devi appiattare la parte sottostante*

*segna le pieghe come indicato*
